MEMORANDUM FOR: NIO/SP, [REDACTED]
SUBJECT : National Intelligence Topics of
Current Interest

25X1A

1. We believe that the Office of Imagery Analysis can contribute to the development of production strategies on the following Topics of Current Interest.

How do the Soviets perceive the strategic balance?
What are Soviet objectives, strategies, capabilities, and vulnerabilities for strategic warfare -- (e.g., weapons accuracy, cruise missile, civil defense)?
For war in Europe?

What are the USSR's objectives on arms control issues, including SALT, MBFR, CTB, non-proliferation, and the Indian Ocean?

2. We would appreciate notification whenever discussion of this topic will occur. [REDACTED] Chief, Missile Systems Division, ext. [REDACTED] or [REDACTED] Chief, Technical Systems Division is our point of contact for these topics.
